

BADGERLAND IDEALEASE

2024 SAFETY & COMPLIANCE SEMINAR

A 1-day transportation safety and compliance seminar co-sponsored by Idealease, Inc and NPTC. This seminar is the industry's leading source of information and training that fleet managers need to comply with regulations, understand how to use data from telematics to evaluate driver safety, and prepare for FMCSA intervention and compliance reviews.

SEMINAR TOPICS

- **Applicability of the FMCSR**
- **CMV Markings**
- **Insurance Requirements**
- **Driver Qualifications**
- **Drug and Alcohol Testing**
- **Accidents**
- **Maintenance Files**
- **Driver's Hours of Service Logs**
- **Establishing a proactive Safety and Loss Control Program**
