## SERVICE SPECIALS

# WINTERIZATION SPECIAL

# \$149.99

*plus tax & shop supplies*

Maintain peak performance and dependability as the temperature drops. Lakeside Service Department is offering winterization specials and can schedule your truck for an inspection in preparation for the inclement weather.

### 24-POINT INSPECTION INCLUDES:

- Conduct electrical system test (Battery Pack, Starter, Alternator)
- Check air dryer operation and heater
- Check thermostat operation
- Check fuel heater operation
- Check antifreeze for freeze point and additive concentration

- Pressure test cooling system and check all hose clamps for cold leaks
- Drain water from all air tanks
- Replace cab air filter (if equipped)  
\*parts additional
- Inspect ether start system (if equipped)
- Check block heater operation (if equipped)
- Check grid heater operation

### FREE WIPER BLADES & INSTALLATION INCLUDED!
